Hi Lorena

Yes

I just received the invoice

I will forward it to Lulu in our office who processes payments, she will have the funds transferred.

As soon as she does that the permit will be emailed. We are good to go!

Did you move your son/daughter into college?

Sandra,

I just came from the BSS office where I met with Karen.

She stated that the only thing missing to complete the permit was a notification from CD 15 stating that you were going to pick up 100% of the cost.

Upon receipt of that statement, she will issue the permit.

Thank you very much. I wish you a speedy recovery.

She said that after you enter that notification you should send a notification to Karen.

Also, since I still cannot access the permit system, I will need someone from CD 15 to print the permit or download it and send it to me electronically.

Since we are only one week away, I would really appreciate resolving this by tomorrow, if possible.

Thank you very much.

Good Afternoon Karen
Hope this finds you well!
It was so nice to finally meet you few weeks ago!
I'm forwarding these two documents on behalf of Lorena Parker. She isn't having luck accessing the link. Unfortunately I'm out for a couple of weeks on medical leave therefore can't assist her from home. Hope you don't mind me sending this via email.
Best
